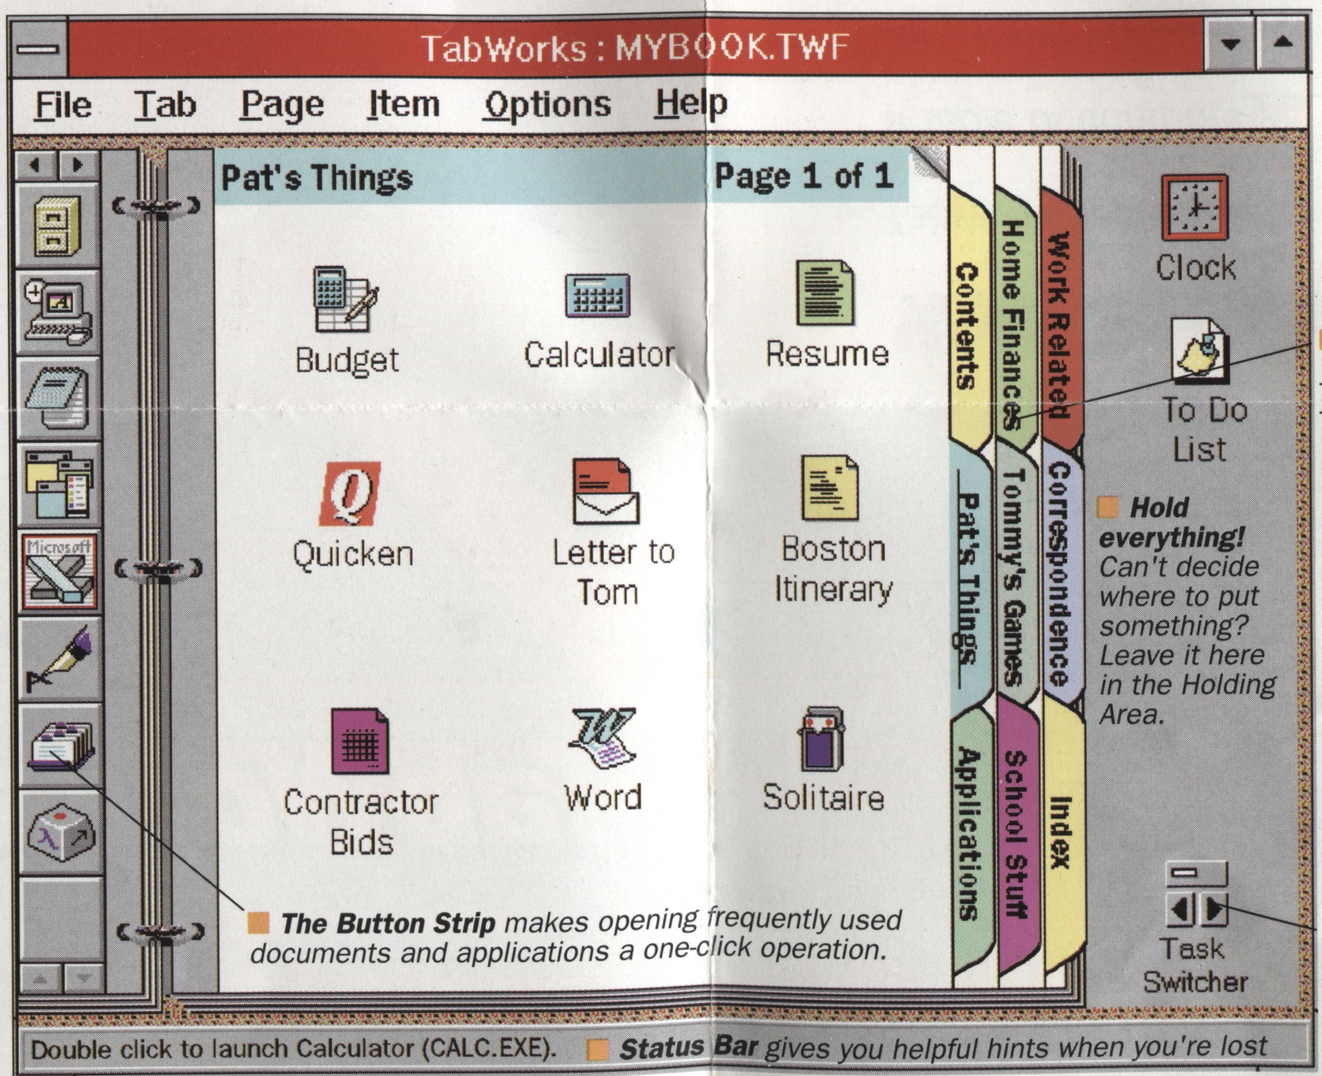
TabWorks *from XSoft*

This is the way PCs ought to be – simple and intuitive. You can effortlessly organize your applications and documents any way you like and easily find everything to get right to work.



■ ***Tabs*** *help you organize your work. Label them, change their color or font, reorganize them – It's your call.*

■ ***Hold everything!*** *Can't decide where to put something? Leave it here in the Holding Area.*

■ ***The Button Strip*** *makes opening frequently used documents and applications a one-click operation.*

■ ***Switching tasks*** *couldn't be simpler. One click does it.*

■ ***Status Bar*** *gives you helpful hints when you're lost*

Minimum System Requirements:

■ *386 based computer* ■ *2 MB RAM* ■ *Windows 3.1* ■ *4MB hard disk space* ■ *MS-DOS® 5.0 or higher*
■ *Windows-supported VGA display* ■ *Windows-supported pointing device (e.g., mouse) recommended but not required.*
